

Karen Chamberlain

CT Summation Certified Trainer

Karen Chamberlain has 33 years of experience in the legal industry. Her professional career includes court reporting, complex litigation paralegal and she holds a CLA certification since 1985. In addition, Karen has hands-on experience as a Litigation Support Manager with a top rated litigation support company and provides comprehensive information on imaging, developing of databases, electronic discovery and trial support. As a CT Summation Certified Trainer, she conducts trainings for lawyers, paralegals, staff, investigators, vendors, in-house trainers and governmental agencies. Task oriented training sessions are hands on, exciting and available statewide.
