Which product is right for me?

GoToMyPC® is the fast, easy and secure way to work on your Mac® or PC from any Web browser. Citrix Online offers three versions of GoToMyPC to meet the needs of individual professionals, teams and small and medium-sized businesses:

GoToMyPC

Remote access for individual users.

- Unlimited access and use of your files, programs, email and network from anywhere.
- Be more flexible and productive.
- Travel light — no need to take a laptop on trips.

GoToMyPC Pro

Remote access with user management designed for companies with fewer than 50 employees.

- Get the benefits of GoToMyPC for you and your employees.
- Manage employees' remote-access privileges.
- Generate reports on individual and company remote-access activity.

GoToMyPC Corporate

Remote access with advanced user management and features designed for companies with more than 20 employees.

- Set up and deploy remote access in minutes — no training required.
- Work remotely with confidence — GoToMyPC Corporate employs government-standard encryption for all remote connections.
- Manage licenses, security, usage reports and more from the Administration Center.

All version of GoToMyPC provide unlimited use for one low flat rate — there are never any overage fees. Multiple-seat plans are available for all versions.
