## Worldwide Industrial printer and maintenance pack withdrawal from marketing

---

### Correction on August 19, 2011:

The InfoPrint 6500 last order date is now December 30, 2011 in Asia Pacific, Japan, and Latin America. Previously it was September 30, 2011.

### Overview

---

Effective on the dates shown in the table below, Ricoh Production Print Solutions (RPPS) is withdrawing the following products, and all Industrial products in all countries where these products are currently available.

- The InfoPrint 4247 models L03, X03, and Z03 and all initial order and field-installable hardware features.
- The InfoPrint 6700 models R40, R60, R80, M40, and all initial order and field-installable hardware features.
- The InfoPrint 6500 models V05, V5P, V1P, V10, V15, V20 and all initial order and field-installable hardware features.

**The following table summarizes the last order dates for hardware and Maintenance Packs. All Industrial hardware products and Maintenance Packs are being withdrawn on these dates. . Certain countries may establish an earlier last order date for hardware and Maintenance Packs.**

Description	Last Order Date
Last Order Date for all Industrial hardware (1)	December 30, 2011
Asia Pacific, Japan and Latin America: Last Order Date for InfoPrint 6500	December 30, 2011
Last Order Date for all Industrial Maintenance Packs (2)	November 30, 2011
United States only: Last Order Date for all Industrial Maintenance Packs	December 30, 2011

(1) Except InfoPrint 6500 in Asia Pacific and Latin America countries

(2) Except Maintenance Packs in the United States

**The following table summarizes the last dates that InfoPrint Solutions Partners can return products.**

Description	Effective Date
Last Return date for all Industrial hardware products and Maintenance Packs (for Solutions Partners)	September 2, 2011

CRD #HW11-1076  
Worldwide Withdrawal of all Industrial Printers and Maintenance Packs  
Announce August 2, 2011

Orders will be accepted on or before the withdrawal date or until no inventory is available.

All Maintenance Packs are being withdrawn on the dates shown in the table below for all models of the following products:

- InfoPrint 4247 (machine type 4247)
- InfoPrint 6500 (machine type 6500)
- InfoPrint 6700 (machine types 5403 and 5504)
- InfoPrint 4224 (machine type 4224)
- InfoPrint 4400 (machine type 4400)
- InfoPrint 6400 (machine type 6400)
- InfoPrint 4230 (machine type 4230)
- InfoPrint 75 and InfoPrint 100 (machine type 4372)
- InfoPrint 4232 (machine type 4232)
- InfoPrint 6408 (machine type 6408)
- InfoPrint 6412 (machine type 6412)

Due to these Withdrawals from Marketing, the trial program in place for industrial products, through RPPS (InfoPrint) Sales or a Solutions Partner, will end September 30, 2011 in the United States and Canada.

The initial order and MES features for the printers being withdrawn are shown in the tables in the *Item Number* section.

The maintenance pack items being withdrawn are in the attached spreadsheets at the end of the *Item Number* section.
