*The pricing above is based on a five-year contract. Plans are available on our MCP platforms (MCP50, MCP110, MCP200). Prices and dates are subject to change without notice. Our TT210 has a Trailer Tracks Plan starting at $7.95 (SRP) that includes Event Reporting, Positions, Qualcomm Services Portal and Third-Party Integration. For more information, visit our websitet transportation.qualcomm.com/trailer-tracks-plan. **Terms and Conditions:** The EOBR Plan is available only to new QTRACS® portal customers. Fleet-wide subscription to EOBR Plan is required. EOBR Plan is only available upon initial subscription. Customers may not move to EOBR Plan after subscribing to a different pricing plan option. The EOBR Plan does not support adding additional Qualcomm applications. Additional applications may be added to all other Qualcomm Pricing Plans.
