

## Product Discontinuation Notice 0001-CHEMRAE Discontinuation of ChemRAE

February 13, 2014

### Summary

RAE Systems herein provides an official notification to its valued distribution partners and customers that the company will no longer accept orders for the ChemRAE product, as listed in the “Product Being Discontinued” section. All orders for the product submitted to RAE Systems before the “Effective Discontinuation Date” will be processed. All quotes for the product submitted to RAE Systems before the “Effective Discontinuation Date” will be honored as long as they are not expired.

### Product Being Discontinued

RAE Systems intends to discontinue new sales of the following product:

Product Name	Part Number
Wireless ChemRAE Portable Chemical Warfare Agent Detector Kit (with Modem)	039-D100-000
ChemRAE Portable Chemical Warfare Agent Detector Kit	039-D200-000

### Effective Discontinuation Date

The last day to submit orders for the product specified under the “Product Being Discontinued” section is February 28, 2014. Orders for the product submitted after this date will not be accepted. Please call RAE Systems for pricing information.

### Regions Affected

Plans to discontinue the product described in this Product Discontinuation Notice affect all regions of RAE Systems operations worldwide.

### Warranty

The product affected by the discontinuation and purchased prior to the “Effective Discontinuation Date” will bear all the standard warranties and comply with other RAE Systems warranty policies as they pertain to the product.

### Continuity of Support

RAE Systems will continue to provide support to customers who purchased and have an active support contract.

### Replacement Product

There is no replacement for the ChemRAE product being discontinued.

### Contacts

Please contact your RAE Systems sales representative if you have any questions, or if you need additional information. You can also reach RAE Systems through company [website](#) or directly at:
