6. WINNER DETERMINATION AND ODDS: Winners will be determined via the process set forth below.

Odds of winning will depend on the total number of valid entries received during the Submission Phase.

The Judging phase will take place between January 1, 2021 8 a.m. ET and March 1, 2021 5 p.m. ET. Winners will be selected in three phases.

Judging Phase 1: During this phase one hundred (100) photographs from each category (One with Nature, Trail Trekker, Wildside, Park Fit and Sunscapes) will be selected by a judging panel selected by the Sponsor, based on the following criteria: (i) originality, (ii) artistic composition, and (iii) whether the photograph showcases the best of Florida's state parks experiences and recreational opportunities based on the category entered. If a category receives less than one hundred (100) photographs, then all photos in that category under one hundred (100) submissions will be included in the first judging phase.

Judging Phase 2: The 100 photographs selected from the first phase will be reviewed by an editorial panel consisting of three (3) Florida Department of Environmental Protection employees. Ten (10) photographs from each category (50 total photos) will be selected.

Winner Selection: By March 1, 2021, the fifty (50) photographs selected from the second phase will be reviewed by a judging panel consisting of 12 Florida Department of Environmental Protection employees. This judging panel will then select the three (3) winning photos for the grand, second and third place prizes.

All judging decisions are final.

6. NOTIFICATION: The potential winner will be notified, at the Sponsor's sole option, by means of email or telephone.

7. VERIFICATION OF THE POTENTIAL WINNER:

An entrant who is selected pursuant to the process set forth above is not considered a winner of any prize unless and until the entrant's eligibility has been verified by the Sponsor and the entrant has been notified that verification has been completed. In connection with such verification, the potential winner may be required to execute and return a Request for Information and Waiver form, within ten (10) days of the date that such form is sent by the Sponsor to the potential winner. Non-compliance with the foregoing or with any of these Official Rules, the return to the Sponsor of the prize notification or the Request for Information and Waiver form as non-deliverable or the Sponsor's inability to contact the potential winner within one (1) month of its first attempt to notify will, at the Sponsor's sole option, result in disqualification of the potential winner and, at the Sponsor's sole option, an alternate winner being selected by the judges from the remaining eligible entries.

In the event of a dispute over the identity of a potential winner, the entry will be declared made by the authorized account holder of the email address submitted at the time of entry, and the potential winner may be required to provide identification sufficient to show that he/she is the authorized account holder of such email address. "Authorized account holder" is defined as the person assigned to an email address by an Internet access provider, online service provider or other organization responsible for assigning email addresses for the domain associated with the email address in question. Proof of sending or submission will not be deemed to be proof of receipt by the Sponsor.
