

Sage Fixed Assets

Sage Fixed Assets Canadian Edition - Planning

Take control over your fixed assets even before they become fixed assets with Sage Fixed Assets Canadian Edition - Planning. Whether you're assembling multicomponent equipment, upgrading machinery, renovating buildings, or just accumulating separate invoices prior to placing a fixed asset into service, Sage Fixed Assets Canadian Edition - Planning is the perfect solution to your construction-in-progress needs.

With multiple levels of detail tracking and numerous built-in reports, you can easily manage and report on virtually unlimited projects, including current project status, actual vs. budget variance, and project details. Manage both capitalized and expensed assets for convenient project tracking, and get key project information at a glance with the convenient "Project Snapshot" feature. Plus, with this fully integrated solution your fixed assets are instantly created in Sage Fixed Assets Canadian Edition - Depreciation upon project completion.

For more information about Sage Fixed Assets Canadian Edition - Planning, please call us toll free at 800-945-8007, or visit our Web site at www.SageFixedAssets.com. Sage customer service representatives are standing by to provide you with top-notch products and service.

BENEFITS:

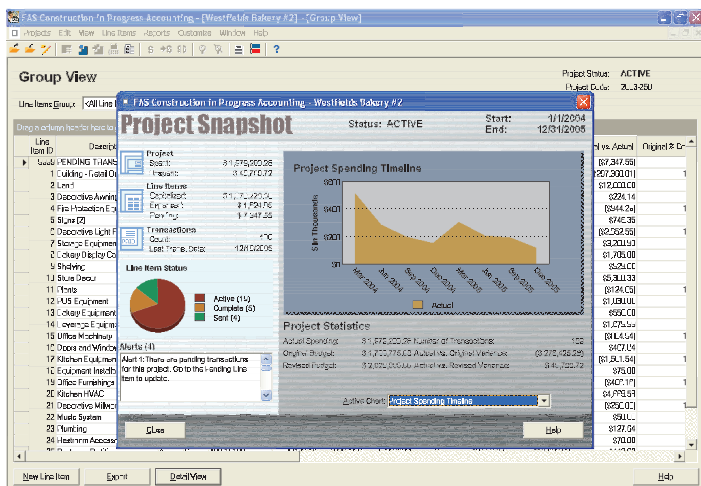

Easily manage projects of any type or size—up to thousands of individual components

Manage both capitalized and expensed assets for convenient project tracking

The convenient "Project Snapshot" feature displays key project information at a glance, including budget tracking and project alerts

Easily accumulate and summarize numerous purchase orders, invoices, receipts, and tasks—including physical components, shipping costs, labor/assembly charges, and unlimited miscellaneous items

Sage Business Care members benefit from an unmatched level of customer support. You can use the Sage Customer Portal to get answers 24 hours a day, seven days a week. Or call our friendly experts for help. What's more, Sage Business Care users can also download software upgrades, access multimedia tutorials, and take advantage of exclusive discounts on new products.

Sage Fixed Assets Canadian Edition - Planning provides a Project Snapshot feature that lets you view up-to-the minute project status at a glance.

Seamless integration for powerful results.

- Seamless integration with the entire line of Sage Fixed Assets Canadian Edition fixed asset management solutions, including Sage Fixed Assets Canadian Edition - Depreciation and Sage Fixed Assets Canadian Edition - Tracking.
- After project completion, instantly create new fixed assets in Sage Fixed Assets Canadian Edition - Depreciation including multiple assets from a single line item
- Point-in-time reporting helps to easily tie out project balances to your general ledger
- Easily import monthly invoicing transactions from your Accounts Payable system to keep your project up to date using the convenient import wizard

"Before implementing Sage Fixed Assets Canadian Edition - Planning, we used Excel® spreadsheets to track our building expansion and equipment purchases. The Sage Fixed Assets solution has proven very useful, because it really helps us keep an accurate record of equipment installations, which are long-term projects with many different allocations."
