Last month, S&P Capital IQ Equity Strategy upgraded its view on the Technology Sector to overweight from marketweight. Join us after the U.S. markets close on Thursday, July 12th to learn more about this decision. Scott Kessler, head of S&P Capital IQ Equity Research's Technology Sector team, will provide an overview of the sector, highlight key themes, and provide related stock recommendations. To further understand how this sector upgrade affects your clients' portfolios, ETF analyst Todd Rosenbluth will provide a deep dive into several technology ETFs, discussing his approach and how you can employ similar strategies in your practice.
