

Roger Hirst DIRECTOR OF EUROPEAN EQUITY RESEARCH OPERATIONS

Tel: +44 (0) 20 7176 7405 Email: roger_hirst@spcapitaliq.com

Roger is responsible for the management of S&P Capital IQ's European Equity Research team. He has 29 years' experience in investment research on European stock markets, and prior to joining S&P Capital IQ Roger built and ran the European equity research business of Bear, Stearns in London, where he worked for eight years. Before that he was joint head of European research for Dresdner Kleinwort, having started his career as an analyst on the German equity market. In addition to in-depth knowledge of strategic and financial analysis, Roger has substantial experience of corporate governance and socially responsible investing. He holds a BA in Modern Languages from the University of Oxford.
