

**Jeffrey Loo, CFA**  
**Director**  
**US Equity Research**

Jeff is a Director within the U.S. Equity Research division and serves as Group Head of the healthcare sector. Jeff's coverage area includes the life sciences tools and services and healthcare services sub-industries. In 2007, Jeff was ranked as the #2 analyst in the Wall Street Journal's annual "Best on the Street" analyst stock-picking survey for the healthcare services sector. Jeff joined Standard and Poor's in 2003.

Previously, he was a Vice President in the mergers and acquisitions group at the Context Capital Group where he focused on the healthcare industry. Prior to Context Capital, he was a senior mergers and acquisitions research analyst at Investment Dealers' Digest.

Jeff received his MBA in Finance and Investment Management from Fordham University and BS in Finance from New York University. He is a chartered financial analyst charterholder and is a member of the CFA Institute and the New York Society of Security Analysts.
