

### **Todd Rosenbluth**

**Senior Director**  
**S&P Capital IQ Equity Research**

Todd Rosenbluth is a senior director at S&P Capital IQ and is Director of ETF and Mutual Fund Research in the United States, leading the firm's holdings-based research efforts. He publishes regular thought leadership content on equity and fixed income products, maintains the quantitative fund models and supports client needs. He also serves as a member of S&P Capital IQ's Equity Research's Portfolio Services Group.

Todd has been interviewed and quoted numerous times in various newspapers and magazines, including Barrons, Bloomberg, New York Times, Financial Advisor magazine, The Wall Street Journal and USA Today. He has also been frequently quoted on the Internet at Ignites.com and Smartmoney.com, and has appeared on Bloomberg and CNBC.

Prior to his current role, Todd was a Group Head and has responsibility for stocks within the telecom services, telecom equipment, electric and gas utilities industries. Todd was named in the 2011 Wall Street Journal's Best on the Street Survey for his coverage of telecom services stocks.

Todd previously served in other financial positions at the company such as International Mutual Fund Sector Specialist and Large Cap Value and Large Cap Growth Analyst, as well as serving on the Fund Services Asset Allocation Committee.

Prior to joining S&P in 2001, Todd was managing editor of Value Line Mutual Fund Survey and Senior Large Cap and Small Cap Value Mutual Fund Analyst. He also held the position of Financial Adviser with Morgan Stanley.

In 1997, Todd received a B.G.S in Finance from the University of Michigan and received an MBA in Finance from New York University in 2002.
