Basics in Rheology

February 4th and September 29th

Seminar Leader: Dr. Klaus Oldörp, Thermo Fisher Scientific

The Rheology Basics Seminar provides an elementary understanding of the principles of rheology to newcomers and refreshes the knowledge for existing users.

09:30 Welcome and Introduction

09:45 Theory of rheology
Flow behavior, flow curves
Theory of visco-elasticity,
rotation practical experiments

12:15 Lunch break

13:15 Possible measuring errors
Setting up a measurement
Application example
Discussion

16:00 End

Basics in Spectroscopy

February 18th and October 20th

Seminar Leader: Savas Kaplan, Thermo Fisher Scientific

The FT-IR Spectroscopy Seminar provides an elementary understanding of the principles of FT-IR Spectroscopy and software to newcomers and refreshes the knowledge for existing users.

09:30 Welcome and Introduction

09:45 Theory and Basics of FT-IR Spectroscopy
Choices in Sampling Techniques, ATR
Theory and Basics, Molecular Spectroscopy
Techniques and Instruments

12:15 Lunch break

13:15 Multi Component Analysis with Thermo Scientific™ OMNIC™ Spectra Quantitative Analysis
FT-IR Innovations beyond imagination
Hyphenated Techniques TGA GC
Microscopy and Rheology

16:00 End

These seminars are applicable to users of all instrument manufacturers. Attendance is free of charge and refreshments will be provided.

I want to attend the following seminar(s):

Rheology Feb 4th Sep 29th

Spectroscopy Feb 18th Oct 20th

Yes, I would like to receive emails to stay current with all Thermo Scientific resources, applications, blog posts and promotions.

I want to receive information about: _____

Title, Name: _____

E-mail: _____

Company: _____

Job Title: _____

Department: _____

Street: _____

Postal code / City: _____

Country: _____

Phone Number: _____

Date: _____ Signature: _____

A Thermo Fisher Scientific Brand

Registration:

The deadline for registration is one week prior to the seminar.

Register:

thermoscientific.com/beneluxseminars2016

Fax: +31 (0)76 571 41 71

E-mail: analyze.nl@thermofisher.com

You will find a map how to find us with your registration confirmation.
