Compliance Resource Network

At Wolters Kluwer Financial Services, our goal is to pave the way for compliance success. With **Compliance Resource Network**, we have consolidated the most up-to-date news, analysis and legislation — on ONE website; expanded it to include additional local and global coverage and commentary; and adopted enhanced technology to make searching, browsing and managing your compliance information easier and more efficient. And that's just the beginning.

Trusted — Global — Practical

Compliance Resource Network

For years, financial institutions, governing bodies and professional service firms have relied on us as the most trusted resource for regulatory commentary and analysis. Now, with the addition of global jurisdictions, you can rely on a single resource platform for all your international compliance information needs.

Compliance Resource Network is your all-inclusive resource that provides access to the most comprehensive UK library of rules and regulations as well as easy-to-use consolidated summaries. In addition, you can also receive rules and regulations for the US, Canada and Australia, plus daily compliance news for the EU, US and Asia.

Quickly access and accurately research everything you need to stay informed — source rulebooks, laws, comments, analysis and regulation relevant to your business.

Experts around the globe — with more than 10 years of market experience — interpret the rules with concise summaries and practical commentary each day. This regulatory intelligence helps you to structure and prioritise your daily compliance workflow and plan your compliance roadmap.

With the new **Compliance Resource Network**, you can be confident you'll be in the know as soon as updates occur, and will always act with expert guidance.

Compliance Resource Network is your single source for all your compliance information needs. Compliance Resource Network offers the most comprehensive collection of compliance content available. It is complete, practical, global, and easy to use. It is manageable, customisable, and highly accessible. It has everything you need to meet your regulatory obligations, saves time and resources, and ensures you comply with confidence.

Compliance Resource Network

Intuitive — Efficient — Personalised — Timely

Compliance Resource Network is redefining how you navigate and manage your compliance information. With a world-class platform as your host, you access the most intuitive, relevant and reliable online tool. You'll be able to search quickly, browse efficiently, be alerted to regulatory changes daily, and customise the content to your personal workflow needs.

Keep in the Know with Tracker

A streamlined personalised **Tracker** service enables you to stay up-to-date on rules and regulations. This customisable news monitoring and alert service consolidates the latest news, proposed rules, and timely regulatory updates released by the FSA. You can enable as many **Trackers** as you wish and tailor them by selecting the content, keywords and filters, and targeting documents relevant to your role and organisation. Daily alerts can be delivered on one email or within **Compliance Resource Network** where your **Trackers** are visible and searchable. Yet another way to personalise your research and obtain comprehensive results.

Manage Content Productively

Compliance Resource Network is designed to ease your compliance workflow. Should your workflow require the sharing of content you research, you can email documents, save them as PDFs, .txt files or hyperlinks, and bookmark your favourites. Store documents temporarily using the document tray functionality, or utilise research folders, to consolidate various different document types into one folder, and input notes that support your research effort. Our enhanced user experience allows you to manage your workflow as much or as little as you need.

Intelligent Navigation

Categorising your content is a science. **Compliance Resource Network** has addressed that as we clearly list and prioritise your content so you can browse it effortlessly. Everything you subscribe to is displayed in an intuitive navigation. You can narrow the content view as precisely as you require, saving search results to customised folders. Browsing allows you to see just what you need, when you need it.

Searching Made Easy

Compliance Resource Network makes searching easy, fast and precise, so you can search your entire library with just a single click. Then filter by multiple criteria. You can search within a search; run multiple searches concurrently; AND save your search results for future use. **Compliance Resource Network** allows you to see relevant content side-by-side; maintain your searches on separate tabs; and split-screen the view so you can preview what you've selected. The search approach is intuitive and flexible to your specific searching preferences.

The technology is truly personalised for you. Your insight and input has guided our development of the new **Compliance Resource Network**, and will continue to do so for years to come.
