www.KluwerArbitration.com

The leading online service for international arbitration

With a subscription to *KluwerArbitration.com* you will gain access to a valuable collection of arbitration related material, many of which are exclusive to the site.

Materials includes:

Bilateral Investment Treaties (BITs)

You gain access to the full text of almost 1700 BITs. Our user-friendly BIT Tool allows you to view the signature and entry into force dates of the BITs entered into by signature states of the ICSID Convention.

Case Law

You can view an unsurpassable database of over 5,000 court decisions and 1,750 arbitral awards.

Commentary

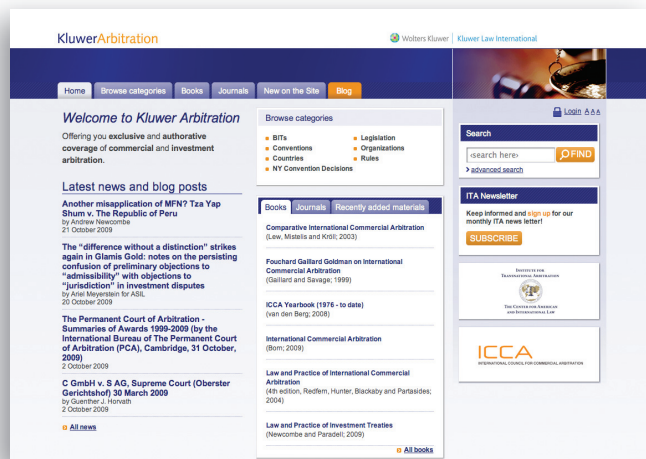

You have to hand a virtual library including a wealth of authoritative publications from the extensive Kluwer Law International arbitration catalogue, including both books and journals. Please see the back page for a full list of all the titles included in *KluwerArbitration.com*.

Conventions

You have to hand the full text of the most important arbitration treaties. Plus, you can now use the **NEW NY Convention Decisions Tool**, developed together with the International Council for Commercial Arbitration (ICCA), to aid your research on the New York Convention and on related court decisions. By simply selecting an article of the convention and one of Prof. Albert Jan van den Berg's topics, you can access all associated court decisions in the database, as well as a wide range of corresponding commentary.

Countries

You can browse materials on the site by country, including: organisations, BITs, court decisions, legislation, awards and rules. This means that if you are researching a specific country you will be able to find all the relevant information in one place.

Example page

Legislation

You have access to the text of almost 500 laws for key jurisdictions.

News

You can read the latest news as covered by the Institute of Transnational Arbitration (ITA) Reporters, and sign up to the ITA Monthly Report to receive issues by email. Plus, you can also read posts from the KluwerArbitrationBlog by eminent arbitrators from around the world.

Rules

You can view the rules for more than 400 major institutions, with easy access to the related websites.
