When thinking of Aruba and Curaçao sun and beaches come to mind with close to 2 million tourists visiting those islands EVERY year. Now your cargo can keep them company, as we are sending our vessels to Willemstad and Oranjestad.

Benefit from it and discover these high income markets for your cargo. The main import needs are centered on the tourism industry: dairy and cereal products, furniture, paper and beverages.

Maersk Line is providing you with the necessary transportation in a fast and reliable manner!

Curaçao is served on a weekly basis while Aruba will be on a bi-weekly schedule, both handled via transshipment in the port of Manzanillo, Panama.

In case of any questions, please do not hesitate to contact your local Maersk Line representative.

Yours sincerely
