

EQUATORIAL GUINEA IS NOW SERVED WEEKLY

UPGRADED SERVICE

Improved transit
times on many
port combinations

Weekly service
in Bata and
Malabo

Maersk Line is proud to introduce our new service to Equatorial Guinea

- We improved our reliability: now offering a weekly call in Bata and Malabo
- We use dedicated feeders between our Hub port in Algeciras and Bata/Malabo
- The feeders connect the global Maersk Line network with Bata and Malabo, offering the ability to move cargo across the globe
