What Customers Are Saying About Verified First

"Our company has been using Verified First for the last six months and we couldn't be happier. Not only are we saving money, time spent on screening has been reduced greatly. Anytime I need to call, customer service is right there to help out."

Jennifer Ball,
Accounting Clerk,
Avondale Toyota

"We have been using this company about a year, today we needed to expand the services, and they offered it free. But they also made this experience pain-free and exciting. They go the extra mile, meet your needs, and are professional about it."

Sharon Hurley,
Office Manager,
Randall Mechanical

"Verified First is the HR professional's ultimate BFF! Not only does Verified First provide all the services my company needs in one complete package, but also has saved my department a significant amount in the cost..."
