

**FLUKE®**

# END OF YEAR UPGRADE

**15 NOV - 31 DEC 2021**

**Detect industrial leaks and high voltage partial discharge earlier and faster than ever before.**

## Fluke ii910 Precision Acoustic Imager

- Quickly detect and locate corona and partial discharge (PD), and challenging compressed gas, air and vacuum leaks
- Safely locate PD and leaks from up to 120 metres away
- Determine the PD discharge type and the severity via PDQ Mode™

### End of Year Upgrade Offer 1

**Buy a Fluke ii900 and receive a FREE:**

Fluke 1734 Three-Phase Energy Logger

**Valued at  
\$5,512.00**

### End of Year Upgrade Offer 2

**Buy a Fluke ii910 and receive a FREE:**

Fluke 1736 Three-Phase Power Quality Logger

**Valued at  
\$6,494.00**

### End of Year Upgrade Offer 3: Buy 3, get one FREE!

For a limited time, purchase 3 Fluke ii900 or ii910 Acoustic Imagers and receive the 4th unit free!

Offer only available during the End of Year Upgrade 2021 promotion period. All 4 units must be of the same model to be eligible.

**Valued up to \$38,500.00**

# Fluke Acoustic Imaging

## A revolution in compressed air, gas and vacuum leak detection.

### Fluke ii900 Sonic Industrial Imager

- Quickly detect and locate compressed gas, air and vacuum leaks
- Safely locate leaks from up to 70 metres away
- Determine the severity and calculate the energy cost of leaks using the LeakQ report generator

	Fluke ii900 Sonic Industrial Imager	Fluke ii910 Acoustic Imager
Application	Compressed air, gas and vacuum leaks	High voltage corona and partial discharge + compressed air, gas and vacuum leaks
Sound pressure sensitivity	Standard	High
Operating Distance	0.5 to 70 metres	0.5 to 120 metres
Frequency Range	2 to 52 kHz	2 to 100 kHz
Field of View	63° ±5°	
Battery Life	6 hours per battery pack	

### Improve operational efficiency and save.

Step 1: Measure your baseline energy costs with the Fluke 173X Power Quality Logger

Step 2: Identify and correct your leak losses with the Fluke ii900 and Fluke ii910 Acoustic Imagers

Step 3: Verify with the Fluke 173X Power Quality Logger

### Take the interactive virtual tour.

See Fluke Acoustic Imaging technology in action and try it yourself in the online interactive virtual demo.

**END OF YEAR  
UPGRADE**

15 November to 31 December 2021

# Fluke Power Analyser

**Lab grade accuracy in a portable, field-ready package.**

## Fluke Norma 6000 Series Portable Power Analyser

- Measure voltage, current, active power, reactive power, apparent power, power factor and harmonics with associated values
- Get accurate, precise results with 0.1% measurement accuracy and a 500kHz bandwidth
- Measure safely – safety rated for CAT III 1000V, CAT IV 600V environments

	Norma 6003	Norma 6003+	Norma 6004	Norma 6004+
Number of channels for voltage/current	3/3	3/3	4/4	4/4
Motor speed/torque measurement	-	Yes	-	Yes
Basic Accuracy	0.1%			
Main function	Meter, Scope, Harmonic, Phasor, Trend			
Measuring Parameters *Available in N60003+ and N6004+ only	RMS, DC Component, AC Component, Rectified Mean, Peak Value, Peak-Peak, Crest Factor, Form Factor, Fundamental Component, Fundamental Content, Harmonic Distortion, Harmonic Content, Harmonic Factor for current and voltages, Active Power, Reactive Power, Apparent Power, Power Factor, Phase Shift, Efficiency, Impedance, Electric Energy, Charge/Discharge Capacity (Ah), Frequency, Motor Speed*, Torque*, Mechanical Power*, Mechanical Energy*			

### End of Year Upgrade Offer

**Buy a Fluke Norma 6000 Series Portable Power Analyser and receive FREE:**

Fluke 80i-2010s AC/DC Current Clamp (3 pack)

**Valued at \$3,050.00**

**Make high accuracy power measurements wherever you need to.**

## Fluke 435-II Power Quality and Energy Analyser

Dedicated power and power quality meter for single and three-phase frontline power quality troubleshooting with load studies, energy waste analysis and quality of service testing.

- Advanced power quality health at-a-glance. See power quality health data in real time so you can make better maintenance decisions
- Energy loss calculator – discover the costs of energy loss specifically caused by poor power quality
- Highest safety rating in industry – CAT III 1000 V / CAT IV 600 V

### End of Year Upgrade Offer 1

**Buy a Fluke 435-II and receive a FREE:**

Fluke C437-II Rolling Hard Case

**Valued at \$885.00**

### End of Year Upgrade Offer 2

**Buy a Fluke 435-II and receive a FREE:**

Firmware upgrade to Fluke 438-II with motor analyser functionality.

**Valued at \$3,618.00**

# Fluke Process Calibration

**Self-regulating pressure and automatic documentation in one rugged portable calibrator.**

## Fluke 729 Pro Automatic Pressure Calibrator

- Automatic pressure generation and regulation to 7MPa (1,000psi)
- Plug-in replaceable pressure control modules up to 7MPa
- Easy calibration documentation using well-defined templates for transmitters and switches
- HART® communication

## Swappable Pressure Modules

Need to work across different pressure ranges?  
The 729 Pro allows you to easily swap pressure modules so you can accurately measure pressure across different applications without needing another calibrator, handy!

## End of Year Upgrade Offer

**Buy a Fluke 729 Pro Automatic Pressure Calibrator and receive FREE:**

Choice of one Fluke Pressure Measurement Module (200 kPa to 7000 kPa)

**Valued up to \$5,450.00**

Visit [fluke.co/EOYU21](https://www.fluke.co/EOYU21) or scan the QR code for more information.

# Fluke Mechanical Maintenance

**An entirely new approach to troubleshooting mechanical problems.**

## Fluke 810 Vibration Tester

The most advanced troubleshooting tool for mechanical maintenance teams who need an answer now. The Fluke 810 offers a simple and short process to help you locate and diagnose common mechanical problems on the spot.

- Easily determine the root cause, location and severity of common mechanical faults
- Efficiently prioritise and plan equipment repair or replacement

## End of Year Upgrade Offer

**Buy a Fluke 810 Vibration Tester and receive a FREE:**

Fluke 805 FC Vibration Meter

**Valued at \$2,700.00**

## How to redeem your FREE bonus:

- 1 Purchase an eligible Fluke test tool in this promotion between **15 November and 31 December 2021**.
- 2 Visit ➔ [fluke.com/EOYU21](https://www.fluke.com/EOYU21) or scan the QR code to redeem.

**END OF YEAR  
UPGRADE**

Sponsored by Fluke Australia Pty Ltd. All prices are Fluke Australia's recommended trade price unless specified otherwise. Final pricing is at the discretion of the participating authorised Fluke Australia distributor or wholesaler. Customers purchasing via a wholesaler branch need to ensure the select branch is purchasing Fluke equipment from a Fluke Australia authorised distributor, a full list of which can be found here: [www.fluke.com/au/wtb](https://www.fluke.com/au/wtb) to be valid to redeem within this promotion. Offers are available to customers only. Distributors and/or branches cannot redeem the free items. The Fluke ii900 Sonic Industrial Imager and Fluke ii910 Acoustic Imager bonus offer cannot be used in conjunction with any other offer in this promotion. All redemptions will be checked and verified by Fluke Australia. Fluke rewards can be redeemed online only at: [www.fluke.com/EOYU21](https://www.fluke.com/EOYU21) with proof of purchase. Offer is valid for purchases made between 15 November 2021 and 31 December 2021 or until stocks last. Offers cannot be combined with any other discounts, promotions or other special offers. Please allow 6-12 weeks for delivery of redeemed items. Offers available to Australian and New Zealand residents only.
