

Everyday, agencies are fighting identity-based threats and winning ...

A state Medicaid agency identified a nurse as a possible risk for fraud, waste and abuse due to a recent bankruptcy.

With the use of our fraud detection and prevention tools, the LexisNexis Risk Solutions Special Investigations Unit (SIU) analysts were able to dig deeper into the agency's data and discovered that the nurse — **along with other providers in the system** — were violating agency policy by billing a specific procedure code on Sundays.
