## Conditions of attendance LUMIX Workshop @ photokina 2018

To register for one or multiple workshops please fully complete the registration form and submit it via the “Send” button.

Please note that the registration and participation to our workshops is only possible in connection with a valid visitor ticket to the photokina 2018 for the day of the chosen workshop.

Please understand that we can only admit a limited number of participants for the workshops.

As soon as you have registered for participation of the workshop you will receive a non-binding confirmation email. Please make sure to confirm your participation by activating the link contained in this email. In case your plans should change and your participation is no longer possible please make sure to use the cancellation link in the confirmation email.

At the entry to the workshops legitimization will be ensured through verification of the names on the participant list.
