

## NEW GIS MAPS

We're excited to announce our new GIS maps! With GIS maps, you can:

- See campgrounds in different views, such as satellite and terrain views.
- Find campsites near the amenities you prefer.
- Check out pictures of each campsite.
- Show off your reserved campsite on social media.

### Multiple Map Views

You can pick from three types of map views: Terrain, Satellite, and Map. Just click the button at the bottom left to switch.

### Filter by Amenities

Our maps can help you find a campsite close to things like bathrooms, playgrounds, and picnic spots. You can turn these things on and off to see only what you want.
