ANSIBLEAUTOMATES

DEMAND ON SYSADMINS IS INCREASING SIGNIFICANTLY

(probably a lot worse because does not include containers and IoT)

7,7 M

New Logical Servers

11K

New Jobs for computer admins

Numbers are estimations based on data from
IDC: Worldwide Virtual Machine Forecast, 2015–2019: Strong Virtualization Growth Is Tempered by Cloud and Containers
Bureau of Labor Statistics, U.S. Department of Labor, Occupational Outlook Handbook, 2016-17 Edition
